

Their stay in Iconium

- **They begin by speaking to the Jews**
- **Once again, there is trouble stirred up**
- **Instead of leaving, they continue to speak**
- **How confident are we in discussing the good news?**

Their stay in Lystra

- **They are mistaken for “gods”**
- **Instead of enjoying the attention, they are horrified**
- **They place their own desires to one side**
- **Christians follow Christ, not other people**

Their stay in Lystra

- **The people of Lystra know an old story**
- **They want to ensure they don't miss out**
- **Their concern is "What's in it for me"**
- **Paul, Barnabas "What can we do for him"**
- **What are we prepared to do for Christ?**

Their stay in Derbe

- **Paul was almost killed in Lystra**
- **Left and went to Derbe**
- **Then returned to strengthen the disciples**
 - **To Lystra – where Paul was nearly killed**
 - **To Iconium – where threats were made**
 - **To Antioch – where they were banned**

Are we prepared to place
our own needs aside?

Or are we asking
“what can I do for Him”?

Are we asking
“what’s in it for me”?

**Are we
Citizens of Heaven?**

**Are we
Citizens of Lystra?**

Do we show our love for God
And our love for others?
