Hebrews 1:4-2:4

# Pay careful attention

- What's wrong with angels anyway? – Nothing but ...
  - God designates Jesus as his Son
  - God instructs the angels to worship his Son
  - God appoints angels as messengers and servants but Jesus as his eternal ruler
- What's the problem with that?
  - The danger is they would become distracted from the message they have heard
- What's *your* problem?
